PURPOSE: This guidance establishes a local policy on the coordination and delivery of supportive services, subject to WIOA's limitations.

The Green Country Workforce Development Board (GCWDB) is the policy and guidance board for the Workforce Oklahoma system in Oklahoma. We are business leaders with a commitment to lead a highly skilled, productive workforce in our 18-county area.

The Green Country Workforce Development Board (GCWDB) complies with WIOA's Equal Opportunity and Nondiscrimination provisions which prohibit discrimination on the basis of race, color, religion, sex (including pregnancy, childbirth, and related medical conditions, transgender status, and gender identity), national origin (including limited English proficiency), age, disability, political affiliation or belief, or, the basis of citizenship status or participation in a WIOA Title-1 financially assisted program or activity.

GCWDB is an Equal Opportunity Employer/ Program. Auxiliary aids and services are available upon request to individuals with disabilities.

Purpose

To provide guidance and make a determination of the occupations that have a substantial current or potential impact on the economy of Green Country.

Effective Date

GCWDB Approved 01/16/2025

* This document shall supersede and replace all prior versions and understandings, oral or written, of the Priority of Policy.

Policy

The authority to make this determination is explicitly stated in Section 3(23)(B) of WIOA as, the determination of whether an industry sector or occupation is in demand shall be made by GCWDB using State and regional business and labor market projections, including the use of labor market information.

The Green Country Workforce Development Area (GCWDA) encompasses an 18-county region in Green Country including:

Adair	Creek	McIntosh	Okmulgee	Pawnee	Tulsa
Craig	Delaware	Muskogee	Osage	Rogers	Wagoner
Cherokee	Mayes	Nowata	Ottawa	Sequoyah	Washington

Demand occupations have been determined based on job opening data collected using the following resources:

- Oklahoma Employment Security Commission (OESC),
- Other data collecting tools such as Economic Modeling Specialists, Inc. (EMSI),
- And by incorporating employment trend data and review of current WIOA approved Eligible Training Providers.

In addition to the specific skills needed for each position, local employers and the workforce development board have determined that job readiness and other “soft skills training” will be necessary in order to reduce employee turnover and associated training costs. Job readiness and other soft skills training, regardless of the necessity, are not approved occupations/skills trainings for development of an Individual Training Account. These skills must be attained via a Green Country Works Center or other appropriate partner.

The GCWDB has chosen to approve occupational codes/job families within the targeted industry clusters as identified by OESC, GCWDB and EMSI. Job families are groups of occupations based upon work performed, skills, education, training and credentials, for example: 53-3032.00 Heavy and Tractor-Trailer Truck Drivers job family code is “53”.

GCWDB is an Equal Opportunity Employer/ Program. Auxiliary aids and services are available upon request to individuals with disabilities.
