- Fiscal agent providing satisfactory evidence of adequate insurance coverage;
- Workforce Development Board requiring all subcontractors and agents to provide to the Board satisfactory evidence of insurance;
- Notice shall be given to each of the LEOs regarding any claim or suit filed;
- Any proposed settlement of a claim or suit filed against the LEOs which exceeds liability insurance coverage limits must be approved by a majority of the members;
- With insurance, recover funds from the carrier or bond insurer;
- Shared liability based on the proportion of their respective populations.

6) WIOA Board Appointments

The Workforce Innovation and Opportunity Act requires the State to establish criteria for appointing members to the local Workforce Development Boards. The Act indicates that chief elected officials will make appointments to the Local Workforce Development Board. The following membership criteria has been established in Oklahoma, the full text of which is found in *Workforce System Directive #27-2024*.

WIOA requires that a majority of the members of the Local Board must be representatives of business in the local area. The Act specifies that certain representatives must be nominated for Board membership by particular organizations. The Act indicates that business representatives to the Local Workforce Board must be appointed from nominees of “local business organizations or business trade associations.” Business or Trade organizations should nominate business representatives from their local labor market areas.

If the need to add new WIOA Board members arises, the local Workforce Development Board staff must seek appropriate nominations and submit them to the CLEO for action. The CLEO may again request more nominations than there are vacancies in order to exercise discretion (2 for 1, 3 for 2, etc.) for business representative appointments. Likewise, the CLEO may also initiate the process of appointing new members by seeking appropriate nominations, if necessary, and making appointments in accordance with membership requirements, etc.

Upon CLEO and/or Executive Board review, Board Members can be dismissed for cause only as indicated in the GCWDB Bylaws.

Any appointed Board member may be removed or suspended with or without cause by the CLEO, acting in accordance with the LEO’s Consortium. Removal/suspension for cause may include, but is not limited to:

- failure to attend/participate in Board meetings; the Executive Committee will review board attendance regularly & make recommendations to the CLEO.
- failure to be a member of and/or attend/participate in committee, task force, projects, and/or team meetings;
- improper handling of a conflict-of-interest situation;
- taking a job outside the business or labor sector the member was appointed to represent; or
- other causes as determined by the Board, CLEO, and/or LEO’s Consortium that warrant termination or suspension.

Other Workforce Development Board members from the public sector are mandated by the Act, and appointed by their respective agencies, and a complete listing is set out in the above Oklahoma Workforce Development Issuance. The Board may include any such other individuals or representatives of entities as the CLEO may determine to be appropriate.

7) Other Consortium Issues

The LEOs will meet at times as determined necessary by the CLEO.

The CLEO will be responsible for calling a meeting and chairing any such meeting when called.

The Workforce Development Board may also call a meeting of the LEO’s.

Parties will be notified in writing at least three (3) days in advance of such meetings. The notice shall include the time and place for the meeting and the proposed agenda and shall conform with all requirements of the Oklahoma Open Meeting Act.

A quorum for such meeting will be a simple majority.

Disputes between consortium members will be resolved informally to the extent possible. A meeting will be called expressly to resolve the specific dispute. If information resolution is unsuccessful, the CLEO may engage the services of a mediator.

If mediation is unsuccessful, the CLEO shall select an arbitrator. The arbitrator so selected may schedule and hold an arbitration hearing. The parties shall be bound by final decisions of the arbitrator.

Members can be changed for a variety of reasons. A new jurisdiction may wish to join, a new LEO might be elected which would replace the present LEO in the consortium. New members would be included as from the onset by agreeing to the Consortium Agreement in place and thereby accepting liability as stated in the agreement. Decision will be made by the consortium by a majority vote of the members present.

An annual review of member signatures will be conducted to determine if there have been any membership changes such as newly elected or appointed members. A signature update will only be required if the LEO has changed.

8) Various Issues

No individual in a decision-making capacity, including Workforce Development Board and LEO members, shall engage in any activity, including participation in the selection, award or administration of a sub-grant or contract supported by WIOA funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when an individual, and/or a member of the individual's immediate family, has a financial or other interest in the firm or organization selected for an award. The officers, employees, or agents of the agency making the award will neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, potential contractors, or parties to sub-agreements. Workforce Development Board and LEO members shall not participate in financial matters before their respective bodies that pertain to organizations which they represent. A LEO or Workforce Development Board member shall not cast a vote on or participate in any decision-making capacity on the provision of services by such member (or any organization which that member directly represents), nor on any matter which would provide any direct financial benefit to that member. Neither membership on the LEO Consortium nor Workforce Development board, nor the receipt of WIOA funds to provide training and related services shall be construed, by themselves, to violate the provision of this section.

In the event the Workforce Development Board has reasonable cause to believe it cannot meet any or all of the obligations placed upon it by the terms of this Agreement, the LEOs must be notified immediately in writing. The LEOs shall make all reasonable efforts to assist the Workforce Development Board in meeting its obligations under this Agreement. If within thirty days of notification, the Workforce Development Board remains unable to comply with its obligations under this agreement, the LEOs here shall seek amendment or modification in accordance with the set procedures for the purpose of the effective continuation of the Act.

In the event that an impasse should arise between the LEOs and the Workforce Development Board regarding the terms and conditions, the performance, or administration of this Agreement, the parties agree to attempt to resolve disputes by mutually satisfactory negotiations in lieu of litigation. To this effect, they shall consult and negotiate with each other in good faith, and recognizing their mutual interests, attempt to reach a just and equitable solution satisfactory to all parties. If a committee is formed from members of each body to resolve the dispute, the committee shall report the resolution to both the full LEO and the Workforce Development Board. Continued performance during disputes is assured.

- Any amendment to this agreement shall require the approval of each party.
- Agreement amendments for the purpose of adding additional counties, or for other purposes of modification, shall be referred to the LEOs for voting. This may be accomplished by mail or email.
- Amendments must be approved by two-thirds vote of the LEOs.
- This agreement may be amended at any time by written, signed consent of the LEOs. This may be accomplished by mail or email.
- Should any part of this agreement be invalidated or otherwise rendered null and void, the remainder of this agreement shall remain in full force and effect.
