**Purpose**

The purpose of this policy is to provide guidance to the Green Country Workforce Development Board's (GCWDB) public and private partners, constituents, and service providers for the implementation of Work Experience activities under the Workforce Innovation and Opportunity Act (WIOA). This policy is established in accordance with applicable State and Federal laws and regulations.

**Background**

The following policy is intended to provide the structure for the Work Experience activity serving WIOA Adults, Dislocated Workers (DLW), and Youth. Work experience activities are designed to provide work readiness skills or specific job skills to enhance employability.

The Green Country Workforce Development Board (GCWDB) delivers all Workforce Innovation and Opportunity Act (WIOA) Title I business services directly to employers, not through intermediaries. Our approach is intentionally designed so that businesses receive hands-on support, direct communication, and customized training solutions aligned with their workforce needs. Under WIOA, On-the-Job Training (OJT) and other work-based learning strategies are structured as direct contracts between the employer and the local workforce board or its service provider (20 CFR 680.700–680.730). GCWDB and its contracted service providers follow this model by engaging employers personally throughout the entire process—from outreach and assessment to training plan development, documentation, and reimbursement. Because these services are authorized under WIOA Title I and implemented locally by GCWDB, businesses receive them at absolutely no cost. WIOA §134(c)(3)(H) and 20 CFR 680.720 confirm that employer reimbursements are allowable program expenditures, designed to offset extraordinary training costs—not charges to employers. GCWDB's OJT Policy reiterates this by establishing that reimbursements are paid directly to the employer for up to 50% of the trainee's wages during training, with no fees assessed.

WIOA includes a major focus on providing youth with work experience opportunities while requiring that local areas spend a minimum of 20 percent (20%) of the youth funds on this specific program element. Not less than 20 percent (20%) of youth funds allocated to the local area, minus the local area's expenditures for administration, must be used to provide paid and unpaid work experience. GCWDB and contracted Service Provider must track, and report funds spent on work experience on a monthly basis to the Oklahoma Employment Security Commission (OESC) for subsequent quarterly reporting to the Department of Labor.

A new reporting line item for work experience expenditures was added to the Local Youth ETA-9130 (B). Activities to be considered in this reporting line item include paid and unpaid work experience for both in-school and out-of-school youth. This may include summer employment opportunities and other employment opportunities available throughout the school year, pre-apprenticeship programs, internships and job shadowing, and OJT opportunities (WIOA sec. 129 (c)(2)(C)). See TEGL 2-16 for more details on local youth financial reporting.

The WIOA Worksite Terms and Conditions and the WIOA Trainee Work Plan contained in this policy are required for use by all local areas, and these forms may not be modified. In addition, the WIOA Trainee Time Sheet contained in this issuance may not be modified; however, local areas have the option to substitute a time and attendance report provided by the Worksite if it meets all the criteria listed in this policy. Local areas are not required to bring active worksite agreements created under WSD #49-2024 into compliance with this policy. Modifications may be made to existing worksite agreements, as necessary. However, local areas are prohibited from adding additional Trainees to agreements created under WSD #49-2024. At the point additional Trainees need to be added to the existing Worksite, local areas must create a new agreement according to the procedures in this policy.

The Worksite Agreement is designed to establish certain assurances and conditions that must be agreed upon between the WIOA Grantee and/or Service Provider and the work experience Worksite. The WIOA Worksite Agreement is a three-part Agreement containing Part I: Worksite Terms and Conditions (Attachment A); Part II: Trainee Work Plan (Attachment B), and Part III: Trainee Time Sheet (Attachment C).

### **Work Experience**

The work experience activity is designed to provide program participants with workplace skills necessary to attain and retain employment. Funds provided for work experience may not be used to directly or indirectly aid in the filling of a job opening that is vacant because the former occupant is on strike or is being locked out in the course of a labor dispute, or if the filling of which is otherwise an issue in a labor dispute involving a work stoppage. Work experience activities are provided, based on an assessment and individual employment plan (IEP) or individual service strategy (ISS) as follows:

- A. Adult/DLW-Work Experience (Transitional Jobs) is defined in WIOA Section 134(c)(2)(A) as: a planned, structured learning experience that takes place in a workplace for a limited period of time. Work experience may be paid or unpaid, as appropriate. A work experience or transitional job may take place in the private for-profit sector, the non-profit sector, or the public sector. Labor standards apply in any work experience where an employee/employer relationship, as defined by the Fair Labor Standards Act, exists.

- B. Youth-Work Experience/Youth Program Element 3 is defined in Interim 20 CFR Section 681.600 as: a planned, structured learning experience that takes place in a workplace for a limited period of time. Work experience may be paid or unpaid, as appropriate. Work experience may take place in the private for-profit sector, the non-profit sector, or the public sector. Labor standards apply in any work experience where an employee/employer relationship, as defined by the Fair Labor Standards Act or applicable state law, exists. Work experience provides the youth participant with opportunities for career exploration and skill development. Work experience must include academic and occupation education. The types of work experience include: summer employment opportunities and other employment opportunities available throughout the school year; pre-apprenticeship programs; internships and job shadowing; and on-the-job training opportunities as defined in WIOA Section 3(44).

Allowable work experience expenditures for youth include the following:

- Wages/stipends paid for participation in a work experience;
- Staff time working to identify and develop a work experience opportunity, including staff time spent working with employers to identify and develop the work experience;
- Staff time working with employers to ensure a successful work experience, including staff time spent managing the work experience;
- Staff time spent evaluating the work experience;
- Participant work experience orientation sessions;
- Employer work experience orientation sessions;
- Classroom training or the required academic education component directly related to the work experience;
- Incentive payments directly tied to the completion of work experience; and
- Employability skills/job readiness training to prepare youth for a work experience.

Note: Supportive services are a separate program element and cannot be counted toward the work experience expenditure requirement even if supportive services assist the youth in participating in the work experience.

### **Worksite Selection**

Work experience will be provided utilizing various public and private sector worksites (in the community where the participant resides whenever possible). Private sector worksites with continued, unsubsidized employment potential will be the priority when placing participants. Efforts will also be made to assign participants to a worksite in a position that matches their interests based on assessment results obtained at enrollment or through further interview of the participant. In addition, no participant under 21 years of age will be allowed to work on the same crew, or in constant proximity with any inmate also under the employ of the worksite.

### **Duration of Training**

Work Experience assignments shall be limited to no more than 520 hours. The number of hours may be reduced based upon funding availability.

## Hourly Wage

Participants (in all WIOA programs) shall be paid no less than the current minimum wage. The worksite's entry-level wage applicable to the assigned position may be paid if funding allows.

## Worksite Agreements

The *WIOA Worksite Agreement (Parts I-III, Attachments A-C)* is a standardized three-part agreement to be utilized for all participants in the Adult, Dislocated Worker, and Youth programs, including transitional jobs for A/DLW. Worksite Agreements must contain the following:

- Part I: *WIOA Worksite Terms and Conditions (Attachment A)* designed to establish certain assurances and conditions that must be agreed upon between the WIOA Program and the work experience worksite;
- Part II: *WIOA Trainee Work Plan\* (Attachment B)* indicating, for each participant assigned: the job duties/responsibilities; general work schedule; physical work location; job title; hourly wage; and estimated training dates;
- Part III: *WIOA Trainee Time Sheet (Attachment C)* which provides a record of the actual hours worked and is utilized for payment purposes.
  - A. *WIOA Worksite Agreement* packet is processed for each worksite utilizing instructions given in WSD #49-2024. Modifications to existing agreements will also be made in accordance with procedures outlined in WSD #49-2024 and shall be documented using the *Section 8. Modification* form.
  - B. *WIOA Worksite Agreements* Each WIOA Worksite Agreement must be numbered, and such numbering will follow the format listed to indicate the GCWDB Service Provider, the WIOA Program (Adult, Dislocated Worker, or Youth), the agreement number (1, 2, 3, 4, etc.), and the Calendar Year (January–December) giving a pattern: SP-P-1-2000 or FA-P-1-2000.
  - C. Employment Eligibility and Labor Laws:

The WIOA Grantee and/or Service Provider and the Worksite must adhere to current workplace safety guidelines and applicable federal/state wage laws. For information and resources on safety and child labor laws, consult <https://www.youthrules.gov/about/index.htm> and <https://www.osha.gov/young-workers/resources> . For information regarding the Fair Labor Standards Act (FLSA), consult <https://www.dol.gov/agencies/whd/flsa>. Provisions for wages under the amendments to the FLSA apply to all participants employed under WIOA. For questions regarding wages or labor statutes, contact the Oklahoma Department of Labor Wage and Hour division by calling: 1-866-487-9243 or visit their website at [https://www.ok.gov/odol/Employment\\_Issues/index.html](https://www.ok.gov/odol/Employment_Issues/index.html). For Frequently Asked Questions, General Labor Law, and the Child Labor Law in Oklahoma, visit <https://www.ok.gov/odol/documents/WHWageLawBooklet2016.pdf>.

The Restrictions on employment and Occupations prohibited for children under sixteen detailed in Title 40- Child Labor Law include:

Minors under the age of 16 years are prohibited from performing occupations related to: construction; cooking or baking; fryers or grills; hoisting devices; ladders or scaffolds; lawn mowers and weed eaters other than working for self; loading and unloading; manufacturing, mining, or processing; motor vehicles or service as helpers on vehicles; power-driven machines or equipment; public messenger service; public utilities and communications; slicers or sharp knives; transportation of persons or property by rail, highway, air, water, pipeline or other means; warehousing or storage.

D. Current State Law Provides Workplace Education in Schools

Oklahoma's Governor signed Senate Bill 262 into state law on April 1, 2015, making this landmark legislation a national first. The law directs the Oklahoma Department of Labor to collaborate with the Oklahoma State Department of Education to provide workplace safety training to students in grades 7 through 12. See the following links for further details:

[https://www.ok.gov/odol/Employment\\_Issues/Child\\_Labor/Senate\\_Bill\\_262/index.html](https://www.ok.gov/odol/Employment_Issues/Child_Labor/Senate_Bill_262/index.html)

NOTE: The WIOA Title I youth statutory minimum participation age of 14 years of age coincides with the state minimum age for employment of 14 years. Per the Oklahoma Child Labor statutes pertaining to minors under the age of 16, the WIOA Grantee and/or Service Provider must keep a list of Trainees available for review upon request containing the following information:

- Trainee name and age,
- Worksite where the Trainee is placed,
- The time of opening and closing of the establishment,
- The hours of commencing and stopping work, and
- The time allowed for meals and/or breaks for youth employees is 14 to 15 years of age.

A copy of the corresponding employment certificate/work permit for each individual must be attached to the list of Trainees.

In addition, all provisions for employment eligibility verification must be followed. The i-9 Form, Employment Eligibility Verification must be filled out according to instructions with all appropriate documentation on file. To access the form and instructions, consult <https://www.uscis.gov/i-9>. The Worksite must file the I-9 with the Worksite Agreement. The WIOA Grantee/Service Provider must upload the I-9 in the Oklahoma virtual case management system.

E. Participant Work Experience Orientation:

Once the WIOA Worksite Terms and Conditions Agreement has been signed, orientation will be provided to the Worksite supervisor(s) prior to the first Trainee placement at the Worksite. The Worksite Supervisor(s) must sign an acknowledgement of receipt to document orientation that has been given. The receipt is then attached to the WIOA Worksite Terms and Conditions. A copy of the orientation packet must be given to the Worksite. The Worksite

Orientation Acknowledgement of Receipt, Attachment E, has been included with this policy as an example.

Career Managers must review the following prior to the orientation:

- Pre-employment/Job Readiness Skills
- Grievance Procedures (revisited)
- Enrollee Responsibilities
- Worker's Compensation Information (including WIOA Safety Policy Guidelines)
- Pay Information
- Time Sheet Requirements
- Child Labor Law Regulations (if applicable)

F. Orientation for WIOA Youth Program Work Experience

Most orientation topics are covered in the *Work Experience Participant Handbook (Attachment F)*. The WIOA Case Manager will explain all issues covered in the Handbook to the participant and provide the participant with a copy of the handbook (tailored to their specific program for reference during their participation). Pre-employment/job readiness skills will be documented through various means (e.g.,

WinAt-Work®, KeyTrain® Career Skills or Career Ready 101 soft skills modules reports. If the participant is under the age of 18 years, the WIOA Case Manager will go over the *Child Labor Law* poster.

Career Managers must review the following with the Work Experience Supervisor prior to the first participant placement at the worksite:

- Roles/Duties of Worksite Supervisor
- Safety
- Workers Compensation, Accidents, On-the Job Injuries, and Incident Reporting
- Sexual Harassment
- Discrimination
- Prohibited Activities
- Child Labor Laws
- Attendance and Time Sheets
- Pay and Wage Information
- Termination
- Trainee Evaluations
- Participant Orientation at Worksite
- Worksite supervisors will be given orientation in regard to the WIOA Work Experience component in accordance with requirements outlined in WSD #49-2024 .
- Supervisors must certify their receipt of orientation via signature on the *WIOA Work Experience Supervisor Orientation Acknowledgment Form (Attachment E)*.

G. Incident Reporting:

The WIOA Service Provider must require the Worksite Supervisor to document all incidents (*Attachment F*) occurring at the Worksite that involve

Trainees. An incident may include but is not limited to:

- Trainee involvement in aggressive activities, including physical or verbal confrontations;
- Trainee leaving the Worksite without permission or notice;
- Any inappropriate behavior by a Trainee towards the Worksite Supervisor or Worksite staff, such as the usage of profanity, threats, or assault;
- Drug use by the Trainee at the Worksite;
- Property theft or damage by a Trainee;
- Suspected incidents of abuse, including physical, sexual, emotional or verbal abuse, or any other mistreatment of a Trainee at the Worksite; or
- Accidents involving the Trainee that occur at the Worksite, even if no injuries were sustained.

### **Work Plan**

The WIOA Trainee Work Plan must be completed for each Trainee placed at a Worksite. The Trainee Work Plan requires signatures from the Trainee, the Worksite Supervisor, and the WIOA Representative. These signatures ensure that all parties are aware of the conditions of the Work Plan such as, duties and responsibilities, schedule, job title, training start or end dates, etc. A copy of the WIOA Trainee Work Plan must be attached to the corresponding WIOA Worksite Terms and Conditions. In addition, a copy of the Trainee Work Plan must be uploaded into the Oklahoma virtual case management system.

- Schedules listed on the WIOA Trainee Work Plan should reflect the participant's general days and times at the Worksite Location. If the participant's schedule permanently changes from what is listed on the WIOA Trainee Work Plan, the WIOA Authorized Representative must complete the appropriate modification field on the WIOA Trainee Work Plan and sign the modification to attest that both the WIOA Trainee and the Worksite Supervisor were consulted in the development of the modification.
- Location indicates where the Trainee will be working and may be different from the Worksite Address. For work experience activities involving multiple Work Locations, such as in a construction site rotation or a hospital rotation, a list of all planned Work Locations must be attached to the Trainee Work Plan.
- Start and end dates listed on the WIOA Trainee Work Plan are estimates and actual start and end dates based on participant time sheets must be reflected in the Service and Training Plan in the Oklahoma virtual case management system. The Maximum Hours field listed under the "General Training Information" is optional and is intended for use by local areas that set a limit on the total hours a participant can spend in a work experience.

#### *A. Modifications:*

Under certain circumstances, it may become necessary to update or modify the WIOA Trainee Work Plan. There are two categories under which a Trainee Work

Plan may be modified:

- 1) Changing Worksites: If the proposed modification to a Trainee Work Plan involves changing Worksites, then a NEW Work Plan must be completed and signed by all parties indicating the corresponding WIOA Worksite Agreement Number. Remember, a copy of the new Work Plan must be attached to the corresponding WIOA Worksite Terms and Conditions.
- 2) Other: If a Trainee Work Plan is being modified for any other reason, such as a change in duties and responsibilities, days/hours of operation of Worksite, job title, etc., complete the modification section of the WIOA Trainee Work Plan and include the following information:
  - Date
  - Reason
  - Modification

The WIOA Authorized Representative must sign the modification, acknowledging that both the Worksite Supervisor and the Trainee participated in its development.

### **Time Sheet**

#### *Time, Attendance, and Compensation:*

Accurate time and attendance records for each trainee must be kept by the Worksite supervisor on each Trainee. The WIOA Service Provider must complete the Trainee Information and Pay Period sections of the WIOA Trainee Time Sheet. Trainees will be paid only for actual hours worked. No pay will be given for lunch breaks, holidays, or absences. Under no circumstances should any Trainee work more than 40 hours in one week. Time and attendance may be recorded on time sheets provided in this policy or by the Worksite's method such as a punch time clock, computer check-in, or badge scanning system (referred to as a Worksite Time Report). If the Worksite Time Report is utilized, the WIOA Service Provider must secure a copy of the report containing the following information at the end of each pay period:

- Worksite Name - for tracking purposes, the time sheet must identify the worksite. If the electronic time recording system does not generate the name of the business, a label must be attached to the time sheet identifying the worksite prior to uploading in the Oklahoma virtual case management system;
- Worksite Address and Telephone;
- Trainee Name;
- Time In, Time Out and Total Hours Worked per Pay Period;
- Record of lunch break and /or rest periods 30 minutes or longer (if the Trainees are minors under the age of 16, then the time report must contain all break/rest periods regardless of duration); and
- Worksite Supervisor signature, Trainee signature and Date. The state allows electronic signatures and dates to meet the requirement as long as the local area has processes in place to ensure the authenticity of the signee(s).

Time and attendance records will be signed at the end of the pay period by the Trainee and the Worksite Supervisor, whose signatures will certify accuracy.

A. *Errors on the WIOA Trainee Time Sheet:*

In certain circumstances it might be necessary to make changes to the WIOA Trainee Time Sheet. There are two main categories of errors that may be associated with the WIOA Trainee Time Sheet.

- 1} Errors in Recording Time Worked: Corrections made to timesheets regarding this type of error must be initialed by both the Worksite supervisor and the Trainee
- 2} Other Errors: Corrections made regarding other errors, such as incorrect calculation of hours worked, must be initialed by the party responsible for payment. If a correction is made, the party responsible for payment must notify the Service Provider to ensure the Trainee is informed of the correction. The case manager must document in the Oklahoma virtual case management system Program Notes in that the Trainee has been notified of the correction.

8. Payroll Requirements/Payments:

- WIOA Case Managers are required to obtain an *IRS Form W-4* and a *Department of Homeland Security Form 1-9* for each participant assigned.
- Participants will be paid based on a pay period established by the GCWDB Service Provider. Pay periods will be indicated on the *WIOA Trainee Time Sheet* forms provided to the worksites. Hours worked will be recorded as per procedures outlined in WSD #49-2024. Time sheets may be returned and payment delayed for reasons indicated in the *Work Experience Participant Handbook, Attachment F*.

GCWDB Service Provider staff processes all payments for the Adult/DLW Programs and the Service Provider processes all payment for the Youth Program, after receiving appropriate documents from the WIOA Case Manager. The Career Manager also maintains a *Payment Tracking Sheet* on each participant enrolled in work experience to record payments made and to track durational hour limits per participant. This record is available for the GCWDB Service Provider to review at any time. At the end of the activity, the WIOA Career Manager will provide the GCWDB Service Provider with a copy of the finalized form.

**Work Experience Participant Evaluations:**

The Worksite supervisor must schedule evaluations throughout the duration of the Trainee's work experience, according to local policy. Local areas may choose to require worksites to complete additional evaluations for the purpose of monitoring Trainee performance. If such additional evaluations are requested of the Worksite, it is the WIOA Service Provider's responsibility to notify the Worksite Supervisor during the Worksite Orientation.

- a. The participant must be evaluated by the Worksite supervisor at least three times throughout the duration of work experience utilizing the *WIOA Work Experience Trainee Evaluation*.

- b. Successful Completion - The WIOA Case Manager will utilize the results of the final evaluation as a post-assessment to determine if the participant has met the work experience goal/objective set up in their ISS/IEP.
- *Attachment C, WIOA Work Experience Trainee Evaluation*, has been provided as an example. The WIOA Service Provider may utilize Attachment C or create their own evaluation.

ALL DOCUMENTS MUST BE UPLOADED IN EACH PARTICIPANT'S ELECTRONIC CASE FILE. ALL DOCUMENTATION MUST BE PROPERLY ENTERED INTO THE PARTICIPANT'S ELECTRONIC FILE.

II. Authorization for Clarifications and Additions

GCWDB authorizes the GCWDB Executive Director to issue additional instructions, guidance, approvals and/or forms to further implement requirements of this policy, without making substantive change to the policy except in situations where new or updated State and Federal guidance is issued.

### **MAKE THE MOST OF THIS OPPORTUNITY!!!**

As with any carefully planned project, there are guidelines and requirements for supervisors, trainees and the WIOA case manager. This handbook outlines those guidelines and requirements and will help you easily understand and comply with the paperwork and procedures. In addition to this handbook, the service provider may have additional material for you.

This handbook contains six sections containing information on program overview, your rights, expectations, time and attendance, safety and on-the-job injury. Various forms and documents appear throughout. Be sure to read, complete and display (if applicable) each one as required.
